

HANDS: Thursday 17 April 2008
West of England Bridge Club.

Double dummy results were calculated using Matt Ginsberg's 'GIB' (<http://www.gibware.com>). The double dummy results are what would be achieved if declarer and defenders played perfectly, knowing all four hands, so they may not be results that are at all likely to be achieved in practice. Thanks to Matt Ginsberg for allowing us to use the double dummy solver of GIB on the club's computer.
